Affiliation NO – 3530538

Affiliation Status – Affiliation till year 2029

The school has consistently upheld its commitment to providing quality education blended with moral values, innovation, discipline, and holistic development. Guided by a progressive vision and a student-centric approach, the school continued to nurture young minds into confident, compassionate, and responsible global citizens.

The academic year witnessed outstanding participation and accomplishments in academics, sports, literary pursuits, cultural programmes, art-integrated learning activities, science exhibitions, debates, quizzes, and co-curricular competitions. Students brought laurels to the school through their exceptional performances at various inter-school and academic platforms.

To foster experiential and joyful learning, the school organized educational excursions, club activities, awareness drives, bagless day initiatives, workshops, career guidance sessions, and special assemblies on important national and global themes. Emphasis was also laid on digital learning, communication skills, environmental consciousness, and life-skill education.

The school takes immense pride in the unwavering dedication of its faculty members who continuously strive to create an inspiring and inclusive learning environment. Regular teacher training programmes and professional development workshops were conducted to ensure innovative and effective teaching practices.

The achievements of the school reflect the collective efforts of the Management, Principal, staff members, students, and parents whose cooperation and trust remain the foundation of the school's success.

Overall result for the academic session -(2025-2026) was 92%

Academic Achievement

Throughout the academic session, the teachers of Dharma International Senior Secondary School displayed exemplary commitment towards innovative teaching practices, continuous learning, and academic enrichment.

Faculty members actively participated in various Capacity Building Programmes, workshops, webinars, seminars, and training sessions organized by CBSE and reputed schools to enhance their pedagogical skills and subject expertise. Their participation reflected the school's commitment to fostering a progressive and dynamic learning environment.

Teachers also contributed significantly in curriculum planning, activity-based learning, art-integrated education, experiential learning initiatives, and effective classroom management practices.

Several educators successfully guided students in inter-school competitions, debates, literary activities, science exhibitions, and cultural events, bringing recognition and laurels to the school.

Environment Education

Throughout the academic session, various initiatives and awareness programmes were organized to instill environmental sensitivity among students. Special assemblies, poster-making competitions, plantation drives, cleanliness campaigns, slogan-writing activities, and awareness Nukkad Natak were conducted on themes related to environmental conservation, water preservation, waste management, and protection of biodiversity. Eco clubs are also formed in school.

The school actively promoted eco-friendly practices such as minimizing the use of plastic, encouraging cleanliness within the campus, conserving electricity and water, and maintaining a green and healthy environment. Students were motivated to adopt sustainable habits through practical activities and community participation programmes.

Important environmental occasions including World Environment Day, Earth Day, Van Mahotsav, Harela, and Wildlife Conservation Day were observed with great enthusiasm to spread awareness regarding environmental responsibilities and global ecological concerns.

Sports achievement

The school has always recognized the importance of sports and physical education in the holistic development of students. Throughout the academic session, Dharma International Senior Secondary School actively encouraged students to participate in various sports and fitness activities, promoting discipline, teamwork, leadership, and sportsmanship.

Students enthusiastically participated in inter-house and inter-school competition and displayed remarkable talent and determination in games such as badminton, volleyball, football, cricket, basketball, kho-kho, and other indoor and outdoor events. Their commendable performances brought laurels and recognition to the school.

The school organized annual sports events and regular physical training sessions and Yoga sessions to promote fitness, endurance, and healthy competition among students. Various recreational and skill-development activities were also conducted to nurture confidence and team spirit.

Our students were also felicitated by our Honorable sports minister Mrs Rekha Arya ji on the occasion of National Sports Day at Graphic Era Hill University.

PTA activities

Regular PTA meetings in every two months were conducted throughout the academic session to discuss students' academic progress, discipline, attendance, behavioural development, and overall well-being. Parents were actively encouraged to share valuable suggestions and feedback, which contributed significantly to the improvement of teaching-learning practices and school activities.

The PTA actively supported various school programmes including academic events, cultural activities, sports competitions, awareness campaigns, and community outreach initiatives. Discussions and counselling sessions were also organized on important topics such as career guidance, mental wellness, digital safety, value education, and effective parenting strategies.

SMC decision

During the academic session, the School Management Committee (SMC) played a significant role in guiding the school towards academic excellence, infrastructural development, and holistic student welfare. Various important decisions were taken to strengthen the quality of education and ensure the overall progress of the school.

The committee emphasized the implementation of innovative and activity-based teaching methodologies to enhance experiential learning and student engagement. Special focus was laid on integrating digital learning tools and modern educational practices into classroom teaching.

Important decisions were also taken regarding the improvement of school infrastructure, maintenance of a safe and learner-friendly environment, enhancement of library and laboratory facilities, and promotion of sports and co-curricular activities for the all-round development of students.

The committee encouraged participation in environmental awareness programmes, literary and cultural activities, career guidance initiatives, and skill-based learning opportunities. Measures were also discussed to strengthen discipline, value education, and regular parent-school interaction through PTA meetings and counselling sessions.

Teacher training and professional development remained another major focus area, with the committee recommending regular workshops, seminars, and capacity-building programmes to ensure continuous academic growth and effective teaching practices.
